Engagement: Service options

Please make a selection of services you would like out of the below. Please note if you live more than 2 hours from our base in Wimborne, we will look to keep carbon footprint lower by combining jobs which could involve an overnight stay with split cost of travel and accommodation with others.

Tick to select	Service	Detail	Indicative cost
	Healthy Feet programme	3 visits with 3 progress reviews=10 hours (excluding mobility scores) which includes: *risk assessment at milking *trim skills review *lesion review *team meeting and brainstorm *agreed action plan	3x Half-day (3x£350 plus travel 45ppm plus VAT) plus 3x zoom reviews (3x£100 plus VAT)
	Healthy Feet Lite	Single visit 2-3 hours (excluding mobility scoring) *risk assessment at milking *lesion review *agreed action plan	1xHalf-day (£350 plus travel 45ppm plus VAT) plus 1 hour follow-up (£100 plus VAT)
	On-farm hoof trimming refresher training	4-7 hours at crush. I observe and coach various trimming modifications and treatment approaches tailored to your herd/farm conditions. We go through some pre-dry trims, some early lactation, some mobility score 2 cows and some problem cows. If the facilities allow, it works well	Usually full day (£600 plus travel 45ppm plus VAT). You will be issued with a certificate (on request). Level 2 and level 3 qualification coming soon – cost of

		with 2-3 people – one person trimming front foot, one trimming back foot, one person providing blocks, recording and moving cows, with each person rotating	assessor to be confirmed
	Herd health reviews (monthly, quarterly, annual)	Reviews generally cover: *Fertility *Udder health *Foot health *Transition/metabolic disease *Milk performance indicators *Mortality rates *Youngstock health	Remote data reviews: £250 plus VAT Team meetings – Half-day (£350 plus travel 45ppm plus VAT) – Full-day (£600 plus travel 45ppm plus VAT)
	UK-based workshop training and presentations	Various courses and presentations are delivered to groups including: *Mobility scoring (RoMS) *Footcare	£750 per day plus travel 45ppm plus VAT. These costs can be split between groups.
	International workshop training and presentations	*Cattle handling *Herd health and welfare topics *Motivation and communication	£1000 per day plus travel and expenses plus VAT
	Level 4 professional foot trimming training (delivered through CHCSB/RAU)	Covers all aspects of profession hoof trimming	Indicative price £1800 plus VAT excluding your hotel and your travel
	Bespoke advice or training on health and welfare	This can cover a range of scenarios. Please contact me for a separate quote if the work is Expert Witness.	Generally, budget for professional time as follows: £100 per hour, £350 half day and £600 full day and £750 if preparation require
	Online courses		
	RoMS	Mobility scoring for register of mobility scorers	£180 plus VAT
	Dairy industry introduction	Runs through basic principles in the dairy industry in a series on on-line modules	TBC

Food: please don't worry about providing any food for me on the visit. I have a wheat/barley/oat allergy so I must avoid most biscuits, cakes and sandwiches.

Please indicate if any of these are important outcome/output:

Outcome/output	Tick/detail
Action plan (generally 1 page list, emailed after the visit)	
Detailed report/review	
On-going support, coaching and guidance	
Certificate or qualification	
Other	

On-boarding
